AIM Group International

an international partner for your congresses, events and communication

Congresses 2015
AIM GROUP INTERNATIONAL, your global partner for congresses, events and communication and leading PCO, offers professional services to scientific associations, private corporations and institutions, managing around 3000 events a year. In more than 50 years in the industry we have been the preferred partner for many prestigious clients. Today we have operational offices in 11 countries around the world that are now at the disposal of our clients.

We are committed to offering the highest quality of service.

A deep knowledge of the market, the familiarity with the conference world and the experience gained over the years enable AIM to reduce costs and time and maximize income: a guarantee of a successful Congress!

• **Wide experience and reliability:** on the market for more than 50 years

• **Passion:** we care and provide high level services to our clients

• **State of the art event management software:** we use sophisticated in-house information technology tools which allow a quick and efficient full management of the events

• **Tailor-made solutions:** we guarantee a customised approach to the client and participants

• **Winning methodology:** all the activities and steps are scheduled. Our methodology encompasses timeframes, actions, checks and internal and external communication so as to optimise efficiencies and client satisfaction

• **Dedicated team:** each congress is managed by a qualified team coordinated by a long experienced manager of the Group.

### Representing any culture

- 400 professionals working in 14 offices in the world
- 28 cultures and nationalities – 18 different languages
- **Special dedicated units - Customised approach**
- **In-house Continuing Professional Development (CPD) programs**
