IDENTITY

The Human Touch Behind Our Global Signature

The AIM Essence

For more than 65 years, AIM Group International has supported organizations, institutions, scientific communities, and global brands in creating impactful experiences and strategic engagement initiatives worldwide.
Our approach combines strategic thinking, operational excellence, creativity, and measurable impact. At the core lies our “reason why”: the ability to transform ideas into tangible, lasting impact.

Our Purpose & Values

We work alongside clients not simply to execute projects, but to help them navigate transformation, strengthen communities, and generate long-term value. We are committed to fostering an environment where innovation, responsibility, empathy, and long-term vision can seamlessly coexist.

What Defines Us

Our multidisciplinary core expertise defines our integrated ecosystem:

- **Events:** Designing integrated experiences that connect people, industries, and ideas across scientific, healthcare, corporate, and sports sectors.
- **Communication:** Building meaningful conversations through integrated campaigns, storytelling, and digital content ecosystems.
- **Consultancy:** Supporting organizations through complexity, operational optimization, and digital transformation.

Our Global Presence

With 13 international offices across Europe in 9 Countries, AIM designs and manages projects **that connect people, knowledge, and organizations on a global scale.**

Our People

People remain at the center of AIM Group’s long-term strategy. We constantly invest in talent development, structured learning, and organizational well-being. We champion equality: women represent 82% of our overall personnel, driving our operational and creative capabilities.

Governance Structure

AIM Group’s governance model supports sustainable growth, ethical conduct, transparency, and compliance.

Our **Code of Ethics** guides relationships with clients, institutions, suppliers, and partners, with rigorous attention to highly regulated sectors.
